

EQUESTRIAN Australia (EA) scoring system training

The OEC in conjunction with Trevor Klein will be offering training on how to setup and use the EA (Equestrian Australia) scoring program.

This is the program the OEC will now be using for all future official competitions so it is important we have as many club persons familiar with this scoring system and able to help out when needed.

This course is free and we encourage as many members and other club persons to attend.

This training will be run over two sessions.

Session 1: 11:00am to 1:00pm

Session 2: 1:30pm to 3:30pm

Session 1 will cover how to set up the scoring in preparation for the competition.

Session 2 will cover how to enter results and scores on the day of the competition.

You can choose to attend either one of the sessions or both depending on your interests.

If you have any interest in helping out at our official competitions with scoring then we encourage you to attend session 2.

This training is free of charge. Other clubs are welcome to attend so please spread the word.
