

PROTOCOL DAY

5TH AUGUST 2018

Learn how to gain those extra marks!

This is an ideal opportunity for riders to come along and practice their tests and gain some valuable one on one feedback during a 20 minute session, without the stress of a competition.

Judges for the Protocol Day are Gillian Hill and Lee Manny. Both are very experienced judges with a wealth of knowledge.

Gill Hill and Lee Manny will do a short presentation at the beginning of the day discussing how to get the most out of your test and will provide an insight as to what judges are looking for. These insights will help you gain those extra marks.

Protocol Day format - Riders ride the test of their choice, the judge judges the test and then discusses the test with the rider. Riders are encouraged to talk with the Judge before they ride to discuss tactics. (e.g. you may wish to ride parts of the tests in sections).

20-minute allocation per test.
